

THE PINEWILD PERSPECTIVE

April...2011

PINWILD MEN'S GOLF ASSOCIATION

Congratulations are in order to Lenny Duckman and Bob Watt for carding Holes-In-One on Holly #17. Lenny's was on February 16th and Bob's was on March 8th!

Special thanks to Dick Mitchell and to Sean Desmond and Chris Little for getting the Internet Sign-ups off and running in 2011. Folks can now sign-up for Play Days from the comfort of their computer chairs. Eventually, we would like this to become the primary method and eliminate yet another piece of paper from the process.

Another change now allows those members who live outside of Pinewild to gain access to the PMGA Rules and Guidelines. This can be done by 1) accessing the PWCC Website, 2) clicking on the Icon on the left that states "Property Owners Association Website" and then, 3) clicking on the Icon that indicates "Golf-PMGA".

The Pinewild men played their Season Opening Scramble on the Magnolia course using 5-Man Teams. The event was preceded by breakfast and a short organizational meeting and followed by a luncheon. One Hundred Sixty-Nine (169) golfers participated in the scramble.

Winning Teams were:

- 1st: Pete Nehlsen, Fred Healy, Gary Mott, Ted Kenny and Terry Guttrich (-11)
- 2nd: Bob Cormier, Bob Sweed, Walt Schramm and Jack Butler (-10)
- 3rd: Tom Beddow, Fred Zimmerman, Gil Underwood and Charles Young (-9)
- 4th: Bob Watt, Bill Caso, Oz Sweet, Dave Denny and Len Block (-9)
- 5th: Jack Farrell, Harold Bell, David Gray, Larry Perkinson and Ron Joseph (-9)

OTHER News...

Well, spring is threatening to make a showing here in the Sandhills, placing us only days away from the blooming dogwoods, azaleas and the green "golfing" grass synonymous with this special place in the State. I think that all can agree...after a rough start to winter, we have had MANY good golfing days over the past 45 days.

The season has gotten off to a quick start, with all the Association Openers [including Tennis] going smoothly plus a very well attended Ringer Event.

We have moved the opening of the Pool to an earlier date this year...the pool facility will be available starting Friday May 13th. The season pool rules will be forwarded soon, and we hope that all members will make themselves and their family aware of the associated rules to aid in the safe enjoyment of the facilities for all participants.

Gus has been very busy at the Golf Academy with the many different programs he is offering. If you do need some "assistance with your game"...please call Gus at 910.235.9191.

The www.pinewildcc.com website continues to get some good traffic...please continue to check the Event Calendar "tab" in the Members section...we continue to update this page very often as it relates to Club Events and can be very useful. If you do need the access information to Member "tab"...please contact an employee in the Administration Office.

Have a great and safe spring...and as always, please let me know if we could be of any additional service to you...

Christopher Little, PGA Club Manager

NINE HOLE LADIES' GOLF LEAGUE...

Sixty-Two Nine Hole Colleens were out in force on March 15th. We were a sea of green as we headed out on a cold and threatening day to pursue the dream of birdies and pars. We played a non-elimination scramble and the winning team was Louise Clifford, Jean Zenzius, Mary Stanack, and Pat Milburn. Second place went to Pat Keffer, Carol Matuza, and Terry Clark. Third place went to Marilyn Zimmerman, Barbara Kenny, Nancy Reilly, and Sue Rantala. Thanks to Jim Keffer who took wonderful pictures of our event. These can be seen on the website.

One hundred ladies registered for the Nine Hole group this year. We welcomed some of our new members at lunch. They are Terry Clark, Marilyn Elliott, Karen Fogle, Jeanne Kays, Rita Kent, Pat Milburn, Carol Matuza, Dottie Lynn, and Barbara Venditti. Returning members were Judy Eater, Millie Boyd, Julie Jones, and Nancy McElreath.

President Pat Keffer explained that we have a web site which is under-utilized. It can be reached by going to <http://sites.google.com/site/9holeladies/>. You can sign-up on this site and if you find you cannot play you can cancel. You can still sign up in the ladies locker room (a month at a time if you wish). Do not sign-up in both places. If you have to cancel your play, call Pat at 910.295.6607 between 7:00 and 8:30 AM. Please do not call the pro shop.

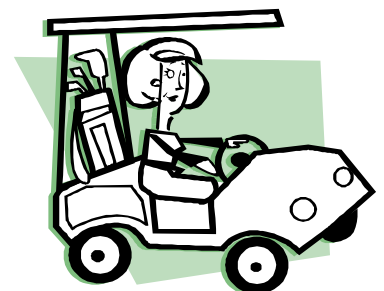

We have been invited to play with the Pinehurst Chippers on April 13th. This is a good time to get to know another group of golfers and to play at Pinehurst Resort & Country Club. We will be playing on Number 1 with a 9:00 AM shotgun. We will meet on their driving range at 8:30. Lunch will be served at the Member's Club. Lunch choices are chicken or quiche. Cost is \$28.

Dates to remember-

April 13, Invitation to play with Pinehurst Chippers...April 19, Easter egg hunt with prizes while we are playing
April 28, Gus is hosting another golf clinic for our group...April 28th...10 to noon, with lunch...sign-up in locker room
May 15, Couples tournament [Couple can be defined as husband and wife or any two people]
June 2, Play with 18 hole ladies on Azalea...August 2, Play with 18 hole ladies on one of the 18-hole courses
September 29, Rally for the Cure

The Game of the Year, suggested by our secretary, Patty Engleking, is a Ringer Game. We pay \$2.00 to get into the game. Patty will keep track of our scores and someone will win at the end of the year. The deadline for entering the game is April 15th.

Remember, we will accept new members at any time during the year.
Call Pat Keffer at 295.6607 or Judy Smith at 420.2499.

PINWILD WOMEN'S GOLF ASSOCIATION

On Tuesday, March 8th, 118 members of the PWGA opened the 2011 season with a wonderful breakfast, an informative meeting and a superb day on the course. It was the first time in three years that we actually enjoyed beautiful spring weather for our opening day of golf. Special thanks to our Social Chair, Dolly Mott, and her assistants, Pat Watterworth, Jody Young, Marilyn Mahan, Kathy Samchalk, Kathy Lannon, Linda Keener and Jan Cashion.

More than forty women were introduced at the opening breakfast, as they are the heart and soul of our organization, our volunteers. These women has given hours of valuable time planning menus, designing posters, developing creative golf game formats, buying prizes and coordinating every aspect of our PWGA events to ensure that each golf day experience in 2011 will be fun and memorable for all.

On March 17th, Peggy Clark shot a personal best round of 74 on the Holly, from the red tees, while playing with DeeDee Schmitt, Marjory Leidy and Jean Grieshaber. Congratulations Peggy!

Our first informal "rules gathering" took place on March 22nd, after league play. Betsey Mitchell kicked of the season with the topic, "Balls in the Water and Balls on the Cart Path". There was a twist, the discussion was held out on the first/second holes of the Challenge course, providing a "laboratory environment" to facility the learning process. Betsey did a wonderful job and is a great teacher.

The 2011 Tar Heel events will kick off here at Pinewild on March 29th. We will be hosting teams from nine other clubs from Raleigh to Wilmington. Looking ahead to April, we have the Holly vs. Pines tournament scheduled for April 12th. The PWGA Member-Guest, is scheduled for April 25-26th. This year's chairs, Arlene Knapp and Diane Dunlap, and their committee have us going "South of the Border" for fun and friendly competition. Also in April, we have our first Pinetop competition scheduled at Foxfire on the 20th, and our second Tar Heel event schedule at Governor's Club on the 19th.

Looking forward to seeing everyone out on the course...Marcia Krasicky, President, PWGA

Pinewild's golf academy professional, Gus Ulrich, held a clinic for the PWGA on March 3rd, which was a big hit. He was assisted by our staff professionals, Sean Desmond, Hope Thomas and John Wainwright. The clinic included 2 hours of a refresher course followed by a wonderful lunch in the Holly Room. The twenty members who took advantage of this great offer were given outstanding tips on things to focus on such as their warm-up, posture, grip, swing, chipping, pitching and sand shots. The results of this clinic were well-received and Gus intends to offer more of these clinics in the future.

Keep in mind that Gus is a well-respected golf instructor also offering private lessons...
