

THE PINEWILD PERSPECTIVE

May...2020

PINEWILD WOMEN'S GOLF ASSOCIATION

What are members of PWGA not doing? We are not playing our Play Day schedule nor any special events.

What are members of PWGA doing?

Playing golf with all the safety parameters...including Social Distancing.

Keeping in mind we are all riding in our own golf cart with plenty of time to think about our golf game/swing on the way to the next shot. There is no one sitting next to us to have casual chit chat. Therefore, we must be using our quiet time between shots to improve our golf game.

On March 24th **Carol Pitzer** shot "75" on the Holly. She shot her age!

On April 4th **Marjory Leidy** shot "75" on the Holly.

On April 8th **Jill Hemingway** had her lowest score ever, "80" on the Holly.

On April 12th, Easter Sunday, **Sally Manich** had "83" on the Holly. She was so excited she entered it two times into Golf Genius. But the Pro Shop helped her to erase one of the scores.

Not sure of the date but **Ellen Connors** had an Eagle on Holly #16 off the bridge!

Congratulations to everyone...I do see a pattern, the ladies must like the Holly Course.

Glad to share this news but looking forward to sharing our Play Day results as we anticipate getting back to our routine some day.

Linda Schneider...PWGA President

PINEWILD MEN'S GOLF ASSOCIATION

Due to the continuing coronavirus-related concerns and to ensure the safety of members, all PMGA events will continue to be suspended through May. We continue to assess conditions that will allow us to restart PMGA events to include how to conduct an "Opener" and the two "Bashes." We are also looking how to restructure PMGA tournaments so we can launch them appropriately when it is safe to do so. If conditions allow us to begin PMGA events before the end of May, you will be informed via a "Blast." As always, please address any questions you have to PMGA@pinewildcc.com.

please know quantities may be limited...

THE PINEWILD AZALEA LEAGUE...

PAL members continue to play informally on Tuesday mornings. Arrive at the clubhouse around 9:30AM and form your own groups. We continue to play in individual carts to maintain social distancing.

The scheduled event on May 12th with the Pinehurst Chippers has been cancelled for this year due to Corona Virus concerns. The Pinewild Azalea League will host that event next year. Our golf event with the PWGA in June has also been cancelled.

If you have any concerns or need to let PAL know about members who might have special needs or are experiencing other life challenges, please mail Judy Eater at jeater@nc.rr.com so that she can forward that information onto PAL members.

NEWS, NEWS AND MORE NEWS...

We hope that ALL our Members continue to “hang-in-there” during these challenging Covid 19 times. The courses and courts continue to remain open, with MANY Members taking advantage of the great weather and relaxing [we hope] on the facilities. Remember, all patrons and staff MUST continue to practice Social Distancing. This includes remaining at least six feet apart from each other and NOT congregating in groups of more than ten persons. Please know that the Club continues to do all we can to create that [SAFE ENVIRONMENT](#) out on the courses.

With the sit-down dining continuing to be closed, we have canceled many of the dining and social events into early June. As soon as we get further direction from State officials, we will review events/plans and establish the events we can accordingly. We continue to offer Lunch Take-Out [Tuesday to Saturday] and Dinner Take-Out [Wednesday to Saturday] evenings. The dinners have been very well received with many positive comments. Thank you for all the support. For the weekly menus and sign-up, [CLICK HERE](#).

Update from the Golf Shop...

The Memorial Day Flag Event is currently on hold, pending what restrictions might be in place at the end of the month. We will keep you posted if we are able to open sign-up and contest this fun event. Kyle is running a special on Footjoy Qmark Gloves (Buy 3 get 1 Free). With the Members playing more golf of late, what better time to stock-up gloves? In May, members will not only receive their member discount but if they purchase 3- FJ Custom Qmark Gloves, you will receive a fourth glove for free. To take advantage of this opportunity the gloves must be in the same purchase and be of the same size and dexterity. Any questions on any golf related products or service, please see a member of the Professional Golf Shop Staff.

WELCOME to our NEW Members David & Sandra Thomas from Winston-Salem, NC and Edward & Rose Ward from Pinehurst, NC...we are glad that you have made Pinewild home.

We hope you and your family continue to stay safe, and look forward to seeing you around the facilities.

THANK YOU for your continued SUPPORT...Christopher Little, PGA Club Manager
