

THE PINEWILD PERSPECTIVE

August...2020

PINEWILD WOMEN'S GOLF ASSOCIATION

July was a Great Month for our Play Days. We are excited so many ladies are playing on Tuesdays. We had wait lists every week, but then the weather reports of Hot Humid Day appear on our phones and some ladies dropped out. We are averaging 56 ladies per week. There is a lot of interest in our Play Days.

Did you hear the PWGA had tee shirts printed with "Fun and Friendship - PWGA 2020" logo? We sold them and made a small profit of almost \$350.

What do we do with this money? Idea...PWGA should donate to "Friend to Friend", a non-profit organization in Carthage whose mission is for helping persons affected by domestic violence, sexual assault and human trafficking. "Give us a mission and we will fulfill it"...five boxes of products were donated and \$2000 in monetary donations. Our concern for our Community is Priceless! THANK YOU PWGA Members for caring for our Community...

PINEWILD MEN'S GOLF ASSOCIATION

From your Executive Committee...PMGA play continues during the HOT HOT HOT weather! It certainly is good to see many members enjoying the weekly games. On August 6th, we will be holding our "Freedom Bash" Opener which should be a great time for all. The day includes a 5-man scramble and a box lunch being delivered to each group. Beverage carts will roam the course. We look forward to all members participating in this long-awaited event!

THE PINEWILD AZALEA LEAGUE...

PAL continues their play of FUN golf every Tuesday morning. First Tuesdays of each month are scrambles, while on the remaining Tuesdays we are playing your own game.

Many ladies choose to socialize and have lunch at the club after our time on the links. The Pinewild Azalea League strives to make golf enjoyable for all. We welcome newcomers to the game as well as seasoned golfers. Come join the fun!

NEWS, NEWS AND MORE NEWS...

The entire Pinewild Family continues to pay heed to news and policies in place to combat the Covid-19 Virus. This includes having to continue to cancel many Club Events where Social Distancing is challenging. Therefore, we will not be able to enjoy MANY of the Social Events [like Trivia, Bridge, our Social Two-Hours/Wine Tastings] which were scheduled for the month of August. Additionally, we have also had to cancel the Vehicle Show Social associated with Vet Week in early September. Pending updates from State Officials, we will revise the Club's schedule accordingly from mid-September forward.

NEW MEMBERS...we are so glad that Daniel/Tara Logan and Family and Robert/Jennifer Radle and Family have joined our Club. A warm WELCOME to both Families.

Remember...we will be hosting the **Pinewild Net Championship** in late August, with [sign-up](#) starting August 3rd. This is the old "President's Cup"...a popular event, so come out and play a little competitive golf in a fun environment. Also, mark your calendar for the **Member/Member Championship** in September which will be contested the 18th and 19th on both the Magnolia and the NEW Holly.

Speaking about the NEW Holly. The entire Maintenance Staff, under the leadership of John Robertson and Shawn Giordano, have been working extremely hard on the Greens Renovation. There have been some weather delays, but things have been progressing nicely. As we move through August, and the good growing conditions for the warm season Zoysia and Bermuda grasses continues, the "seems" will fill-in and the surface will improve daily. Thanks to the entire Membership for their patience as we completed this challenging task.

The Annual Advisory Board Meeting and Election is scheduled for August 27th. Thank you to the candidates who have volunteered, and are "up for election"...Rita Burnat, Jack Finnerty, Jim Hemingway, Bill Leonard, Wendy Schreiber, Stephen Ross and Nancy Wurst. Due to Covid19, arrangements regarding the meeting/election may need to be changed. More information will be available soon, in early August, regarding any such changes.

We hope you and your family continue to stay safe, and look forward to seeing you around the facilities.
