

## Holly Challenge

<b>Entries Open:</b>	Signup for the tournament will be online mid-February till late-March. No entries will be accepted after the announced closing date.
<b>Registration:</b>	Open to all PMGA members.
<b>Entry Fee:</b>	\$20 per person.
<b>Field:</b>	Flights will be determined based on number of participants playing from the White, Gold, Red, or Green tees.
<b>Field Limit:</b>	There is no limit.
<b>Format:</b>	An extended, handicapped Match Play tournament held on the Holly Course. Players will be placed in flights. Each player will be responsible for arranging his own match with his opponent for each round. Ladder formatted pairing sheets will be kept up to date and posted in the locker room. Based on signups per division, a qualifying round may be required and the matches will be based on player indexes. Players are encouraged to play their match on PMGA days when the PMGA plays the Holly Course. On those days notify the pro shop that you will be playing your Holly Challenge match and you will not be placed in the PMGA weekly game. After the flight winners have been determined, there will be a play-off among flight champions to determine the Champion in each division. The flight champion's tournament will be played between mid-August and late-September. Each match must be played within each period. Ample time has been allowed for the matches to be played. However, if the players cannot come to an agreement on a date of play and neither player can play when the other wants to, the player who can play the final day of a round, gets a tee time and reports to the pro shop to play, is declared the winner. If neither player shows up to play the match, both forfeit.
<b>Course:</b>	Holly exclusively.
<b>Dates for each round:</b>	Begins in April. Other dates will be announced.
<b>Tees:</b>	Players play the tees based on the PMGA Tee Policy as of January 1 of the current year.
<b>Flights:</b>	The number of flights will be based on the number of players in each division. Your flight placement will be based on your April 1st index.
<b>Handicaps:</b>	Strokes during actual match play within each flight will be based on the current USGA index. Net stroke play will be off the low handicap competitor. Competitors are responsible for verifying participant's handicaps. Handicap holes are played as defined on the card even if you start on the back nine
<b>Prizes:</b>	Prize money by each division and will be awarded at the PMGA Closer in November to each flight winner and each runner-up. Overall winner and runner-up will receive additional prize money. The names of the flight winners and the overall champion will be engraved on the permanent plaque kept in the locker room.
<b>Posting:</b>	Report the results of each match by noting the date and result of the match on the tournament pairing sheet posted in the locker room (example John Public, 4/22, 3 and 2). If a match is not played, or a player forfeits a match by the end of the allotted time, the forfeiting players will be eliminated and the next opponent will

	receive a bye for the next match. Post score as a Home score. For conceded putts and unfinished holes use “most likely score” according to Rule 3 of the World Handicap System effective January 2020.
<b>Food Cost:</b>	N/A
<b>Range Balls:</b>	N/A
<b>Cancellations:</b>	N/A
<b>Tournament Chairman:</b>	Bob Behnke, 910-255-0470, rab31nc@gmail.com
