## NEWS, NEWS and more NEWS...

For the most part, the weather has been cooperating of late, with some spectacular days. The Spring is always a very special time to be in the Sandhills, with all the colors of the Azaleas, Dogwoods and more. It is also refreshing to enjoy a Covid restriction-free season, unlike the last two years.

Kyle and the professional staff have much going-on in the golf operation. The Golf Club Fitting days have been well received thus far, and these continue into May and June. Some new ladies apparel labels will be arriving soon [IBKUL & Gottex], so stop by and take a look. Cutter & Buck has also been reintroduced for both Men and Women. We will once again be hosting several [Junior Golf Camps](#) this Summer. A great way for the young ones to get introduced to the game or improve their skills.

The Pool Facility will open on Thursday May 19th. For safety reasons, it is imperative that the [Pool Rules](#) be followed. We will continue to have a "sign-in" roster which must be completed by ALL Members and their Accompanied Guests who enter the facility.

We hope you have a wonderful month, and take the opportunity to enjoy many of the great events and recreational opportunities your Club has to offer.

*THANK YOU for your continued SUPPORT...Christopher Little, PGA Club Manager*

## News from PAL...

Many thanks to Erin Gaudreault and her crew for a "sparkling event" [the Opener on March 28th] filled with 24 carat good times and brilliant accessories.

Under Erin's leadership it was stressed that the golf and goofy game were all about fun and friendship.

In spite of the weather, that was as icy as a diamond, everyone returned from the course with a smile on their face [true the smile was frozen into place, but it was genuine].

The lunch and glitzy decorations made the occasion shine brightly. Allan and Erin guided us through the awards and "Thanks" to all involved. Everyone left the clubhouse feeling bright and beautiful.

What a great way to kick off the Pinewild Azalea League season, well done to everyone who worked so hard to make it a success.

*Ex Officio, Judy Pund*

## NEWS from the ADVISORY BOARD...

If you've thought about getting more involved in your Club, here's a great opportunity. The Pinewild Country Club Advisory Board has five openings for two-year terms starting September 2022. As your incoming President, I believe the 2023 Advisory Board would like to welcome ALL members to consider joining us.

We are much more than just a Golf Club, so having all groups represented on the board will make the club more inclusive for ALL. You will be engaged in all facets of operations and have the ability to make a difference in your Club.

Meetings are held monthly and your talents will be utilized. It is a challenging and fun experience. An application is [HERE](#) and elections will be held at the annual meeting in August. For more information contact any Board Member or Tom Nussbaum (Nominating Committee) at [tnussgolf@gmail.com](mailto:tnussgolf@gmail.com) or 508.272.5534.

## PINEWILD WOMEN'S GOLF ASSOCIATION

For some unknown reason, the names of the new members did not reach the Perspective last month. So we will again welcome Sue Baughman, Elaine Bologna, Mary Beth Casey and Andrea Scott. We are glad to have you with us and hope you are enjoying the league. Since these new members were announced, we also have two new ones this month...Tracey Evans and Robin Timothy. Welcome!

The Holly Challenge this week, Monday and Tuesday, was a rousing success under the expert guidance of Cathy Slocum and Pat Watterworth. Kudos to both of them for a well planned event! There were 64 women participating and prizes were given to 3 teams in each of the three flights.

In flight 1 the team of Beglin, Schafer, Schreiber and Robinson were first. In second place in flight 1, the team of Zelinski, Leidy, Kepler, and Manich. In third place in flight 1, the team of Grieshaber, Simpson, Rotondo, and Connors.

In flight 2, first place went to Slocum, Fabian, Lash, and Gibbons. In second place, was the team of Pieczynski, Steere, Novak and Bologna. Third place in flight 2 went to Birkhauser, Marki, Stackhouse and Tuffnell. In flight 3, 1st place went to Casey, Young, Marrale, Leonard. In second place was the team of Watterworth, Adams, Samchalk and Teems. Third place was captured by Kroes, Lambert, Brewer and Behnke. CTP awards went to Ann Leonard for #3 and #17. (She said she aimed for a hole-in-one) Marjory Leidy claimed #8 and Jill Hemingway got closest on #12. On Golf Genius, check out the pictures of the three first placed teams from Holly Challenge and our fearless chairs Cathy and Pat, with, of course, our beloved Allan. You can find that under Member Portal-Photos. Thanks to Kyle for uploading those for us.

Mad money was again without a winner. Connie Heimann's name was drawn, but she was not playing. The Hall of Famer for this month is **Judith Kelley**, who single handedly packed all of the donation packages meant for the Ukraine, from the front porch of the club to Southern Pines to be delivered overseas. Thanks to all who donated. Thanks also to Debra Rhodes Smith, who spearheaded the donating and Wendy Schreiber for sending out the blast when my computer, again, went wonky. There was a huge pile of clothes. What wonderful, thoughtful ladies we have.

Reminder to Interclub members, please check the most recent blast, which gives the information you need to sign-up. You can also find that information on the PWGA web site under Information and Guidelines.

Upcoming May events include: CGA event 5/2, Interclub Pinehurst 5/9, Pinetop 5/10 Pinewild, TarHeel Wilson 5/17, PAL/PWGA Azalea 5/24.

## **FOLLOW-UP from the Charity Event...**

We were all so excited to be selected by the Pinewild Advisory Board as this year's charity for the golf tournament. We couldn't have asked for better leadership from Linda, Judy, Joe, Rita, Nancy, Kyle, and others who were a part of our committee. Linda Schneiter worked tirelessly, not only to secure sponsors and auction items but ensure the day ran as smoothly as possible. We are so grateful for the committee members and residents who contributed time and talents behind the scenes: handcrafting corn hole boards, packing goody bags and supporting us the day of the tournament.

[The Boys & Girls Club of the Sandhills](#) relies on events like the Great Futures Golf Tournament to help us fulfill our mission to inspire, enable, and educate young people from all backgrounds and circumstances to realize their full potential as responsible, productive and caring citizens. Thanks to the generous support of the Membership, sponsors, and the wonderful community we were able to raise just over \$50,000!  
 Donations are still being accepted [here](#) through the weekend.

Everything was executed flawlessly thanks to the efforts of Kyle, Chris and the staff.  
 We talked to a number of folks who had never played at Pinewild and they all commented on what a beautiful and terrific course the Magnolia is.

Our experience at Pinewild was excellent. You have much to be proud of! Thank you for allowing us the opportunity to benefit from this year's charity tournament. If it were allowed, we would be first in line to apply for next year's charity tournament...thank you for helping change the lives of kids here in Moore County!
